

## Summer Term 2 Week 1 Activities

1. <https://ypte.org.uk/factsheets/minibeasts/what-is-a-minibeast#section> Explore the website to find out what a mini beast is. Click on the grouping invertebrates section. Go on a walk to a local woodland or outdoor space. Use the tally chart to see how many of each type of mini beast you can find. Make sure you wash your hands with soap and water when you get back home.
2. Make a map of the route you took on your mini beast hunt for task 1. Make sure you include a key and label road names.
3. Create a mini beast hotel. Use a range of materials, such as stacked wood, house bricks, logs, stones, hay, plant pots, garden canes, loose bark, carpet rolls and compost. Construct the 'hotel', making sure they shape, join and finish a structurally sound and sturdy hideaway. Observe over time, keeping a record of the minibeasts that move in! Send pictures into school of your hotels!
4. <https://themysteriousworld.com/top-10-most-dangerous-insects-in-the-world/> Use the website to make a game of top trumps. You can either do it on PowerPoint if you can use a lap top or if you can't you can make them on pieces of paper.
5. <https://www.bbc.co.uk/bitesize/clips/zcys34j> Watch the clip. Write an explanation of what a medicine is, what they might be used for and why you should only used medicines that have been prescribed for you.
6. <https://www.youtube.com/watch?v=5SproXmRUkl> Use the information on the clip to write an explanation of what a vaccination is, what it is used for and how they work.
7. Go onto the Language Angels website. Complete Je Peux lesson 1 The username is SouthS1367 and the password is lahome. Once you have spent some time looking at the lesson on the power point complete the worksheet which you think is most appropriate for you.
8. <https://www.youtube.com/watch?v=nCrjev3-Js> Watch the clip. Think about what things you do to help you to cope with your emotions and who would you tell.

Insects	Arachnids	Myriapods	Crustaceans	Molluscs	Annelids
